LUTHERAN MISSION FOR EAST LANSDOWNE – A Canvass Made of the Suburb to Get an Expression of Public Opinion

With the object of creating more interest in the proposed permanent establishment of a Lutheran Mission in East Lansdowne, which would eventually result in the erection of a chapel or perhaps a church at some not far distant date, on Thursday evening. Rev. S.D. Daugherty, secretary of the Lutheran Missions of Philadelphia, together with Charles H. Spayd of 28 Lexington Avenue, canvassed East Lansdowne. Of course, every denomination could prefer to have their own church, but as such is entirely out of the question, it would undoubtedly, under the circumstances, be a proper step for the residents to endorse the proposed project, and the instigators should be given every encouragement.

Don't forget that the Lutheran service tomorrow evening will commence at 7:30 o'clock, with a song service.
